Pseudonymous data can also fall under the definition if it's relatively easy to ID someone from it." (<https://gdpr.eu/what-is-gdpr/>)

Members of the C&M and the above mentioned Conveners affirm that their access to the personal and protected membership information will only be accessed or utilized for the Soul purpose of GTWGM.

Constant Contact Software platform is a vehicle used to gather and hold our contact list which we will use to share information with members via email.

Intention

The email list, currently hosted through Constant Contact is a way for us to reach the members that we serve. This tool will serve two purposes: to increase education and awareness of Gather the Women Global Matrix (GTWGM) programs and maintain communication between the leadership of GTW and all of the women within the Sacred Mandala. The intention behind the use of an email list is to maintain communication without overwhelming members with emails, or information.

Membership on the email list

Individual women may sign up for our list at any time. Individual circles may use a “subset” of this list such as the book club to email members regarding upcoming events or meetings. To unsubscribe from the main listing, will automatically remove a member from any subsequent listings. We can maintain or increase our email list by:

- Increasing awareness of our email list in a monthly facebook post
- Maintaining a presence on the website to offer list membership sign-up

Constant Contact has protections and requirements for safeguarding information within their system. Circles that need to have an email sent to their subset will contact the C&M and the email will be prepared and scheduled in Constant Contact to be delivered when needed.

Newsletters

The Communications and Marketing Circle will oversee the creation and implementation of a newsletter sent to the email listing twice a month. The goal is to provide a consistent sharing of information to the whole list that can be expected in a routine manner by all members of the list.

The whole mailing list will receive no more than 3 emails a month.

Members will receive a newsletter on the 1st and 3rd Thursday of the month. The third message will be set aside for emergencies, or important notices upon approval by the Conveners Circle, the Matrix Convener or the C&M.

EventBrite

Eventbrite is a platform that provides the services and means to handle event registration. This platform has its own privacy policies for both US and International regulations. These can be found at ([EventBrite Privacy Policy](#) and [Data Protection](#)).

Information gathered through Evenbrite will only be used for the following purposes: The Annual Gathering, organized series, and other sessions as necessary. The C&M will maintain access to this service, and will assist Circles in setup for events. The C&M will pass along pertinent information as necessary with the accordance of this policy.
